Sports Day 2023

Here are a selection of photos from **Foundation Stage** and **Key Stage 1** sports days.

On Thursday afternoon the Foundation children took part in their first Sports Day. We had an amazing time, cheering on each class, competing with a huge smile and celebrating our success with a much needed ice pop. It was lovely to see so many parents and friends who came to support us. Well done everyone!

Here are a selection of photos from our
Key Stage 2 sports days.

Science Olympics - Pitsford School.

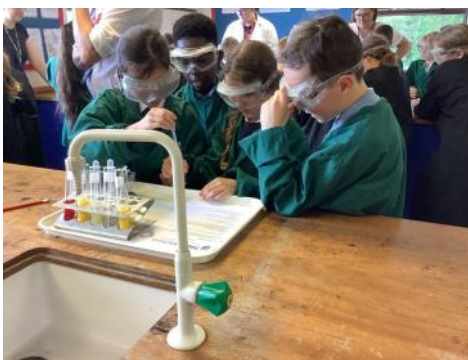

Yesterday, Wednesday 21st June, we went to Pitsford School on a minibus and were greeted by a member of staff. We were then taken to the science room where we would be doing most of our activities and met the seven other schools and staff. They explained how we were to keep safe. This included wearing lab coats and safety glasses.

Our first activity was to identify some unknown chemicals. We did this by putting some named chemicals on tapers which we then put into a high Bunsen burner flame to see which colours appeared in the flames. The second task was amazing! It was to make three different bubble mixtures to see which would give the biggest bubble. We used combinations of washing up liquid, water and glycerin.

After break we had a science-based orienteering activity. It was fun. Next it was back to the lab to test how much vitamin C each of 5 juices had. Lemon juice had the highest and surprisingly, orange concentrated juice had the lowest. This was followed by lunch and a science quiz.

Next was our favourite – elephant toothpaste! Made from potassium iodide, hydrogen peroxide, food colouring and washing up liquid. Finally, we had to make a rocket from a 2 litre plastic bottle, card and water.

Although we didn't win the longest distance our rocket did a very impressive back-flip! We really enjoyed the day. It was a great experience. - **By Annabelle, Jerry, Maia and Lucas, Year 5**

As part of our developing partnership work with Mercedes, we have been offered the opportunity for two pupils, each with an adult, to attend their factory in Brixworth on the 9th of July to watch the British Grand Prix with some of their employees and their families.

We feel the fairest way to pick two children is to ask for parents who would like their child to attend to e-mail the office and we will then draw two names from those who have shown an interest.

The visit is to watch the Grand Prix so we do feel it would be most appropriate for older children and for those who have a keen interest in motor sport.

If you would like your child to be in with a chance to get one of the places, please e-mail the school office on office50@brixworth.northants.sch.uk with the child's name and year group and confirmation that they can attend on the 9th with a suitable adult.
