Notivate

The anti-bullying group have been working together to write songs which give clear messages about the importance of standing up against bullying. They have worked in small groups to write their songs and just before half term they had

the opportunity to record them at The Stables in Milton Keynes. Each group recorded their song together as well as singing individually. The children did really well and were so encouraging to each other. They are looking forward to sharing their songs with the whole school as part of Anti-Bullying Week.

Library Visits

On Wednesday afternoon, Miss Bond's class took a visit to Brixworth Library. While they were there, the children were involved in a Scavenger Hunt which helped to develop their library skills. The children searched for author's names in the Fiction area, books related to specific topics in the Non-Fiction area and used the Library Catalogue to find books as well.

Each class will get an opportunity to visit the school library in the coming weeks.

Well Done

We would like to say a big well done to Elsie who decided to have 12.5 inches cut off her hair for the Little Princess Trust. Over a year ago, Elsie was having a conversation with her mum about her previous job on the children's ward at the hospital with oncology and decided then that she wanted to grow her hair to donate it, to make a poorly child a little bit happier. Elsie raised a staggering £770 for the charity and her hair will enable them to make a wig for children with cancer or alopecia. Well done Elsie, what a wonderfully kind gesture to make.

Christmas Cake Design Competition **2023**

How would you like to design a cake for someone special and have it made in time for Christmas by Cakery Bay?

Forms have been sent home this week with full instructions on how to enter with a template to design your cake.

Entries will cost £1 with all money raised being added to the PTA fundraising account.

There will be a prize for the winner and the runner up for each year group. All year group winners will then be placed into the final where the winning design (judged on creativity and originality) will be turned into a cake!

Entries must be returned to **your child's class teacher, together with the entry fee of £1, by Thursday 16th November.**

The winning design will be created (as closely as possible) as an actual cake by Cakery Bay and presented to the winner at the school during the last week of term.

PTA Wreath Making Evenings

The PTA are holding two wreath making evenings and would love to give as many people as possible the opportunity to purchase tickets.

30th November 6.30pm to 8.30pm - At this workshop you will be learning how to make a seasonal mixed greenery Christmas wreath on a mossed wire frame, decorated with a choice of embellishments and finished off with a fabric bow.

The cost for these workshops are £38 per person.
